

ATHLETE CODE OF CONDUCT

I understand that, as a member of Florida HYPE Volleyball Club, I am expected to uphold the values of the club. I understand that I am a representative not only of HYPE but of what it stands for. I will not engage in conduct on the court, off the court, or on social media, that will shed a poor light on the club, my teammates, my family, or myself. I agree to do everything in my power to contribute to a positive atmosphere on my team. I understand that things such as cursing, lying, or gossiping will not be tolerated, as those actions jeopardize the unity of my team. In addition, I always agree to show respect towards myself, my coaches, teammates, other teams, referees, and others around me.

Actions that I agree are deemed as inappropriate specifically include, but are not limited to cursing, changing in public areas, disrespecting other teams and their families, yelling at other athletes, ignoring officiating assignments, purposefully isolating other teammates, messaging adult staff individually, and missing practices or tournaments without notifying my coach. Officials have a difficult job as it is, I understand that we do not need to make it more difficult by arguing calls. It is my coach's responsibility to decide when it is necessary to have a captain communicate with the official about specific rulings. I understand that if players are seen gesturing or yelling at officials in an attempt to argue a call, they are subject to the same disciplinary action as any other violation listed above.

Disciplinary action is up to coaches and the club on a case-by-case basis, but may include suspension from play, extra officiating assignments, or termination from Florida HYPE. I agree that if I fail to abide by these guidelines, I will be subject to these disciplinary actions by both my coaches and the club directors.
